

Big Island Association of Nurserymen (BIAN) Membership Application

Benefits of being a member of BIAN are many. They include listings in the membership directory (both hard copy and website directory with links to your site); participation (either as a vendor or volunteer) in BIAN scholarship plant sales; invitations to the Annual Installation Banquet (featuring wonderful door prizes from local businesses); participation in research programs; the support of educational programs; scholarships for agricultural students; networking for the processing and selling of plants and products; and last, but not least, an advocate for your horticultural business! Please fill in the contact information and circle the appropriate listings for the directories and send your completed application **with a check for \$50** payable to BIAN to the address listed below. Mahalo!
